

NORTH COAST BREWING

THE BEST BEERS IN THIS WORLD...OR ANY OTHER.

North Coast Brewing Collaborates in DC Fundraiser October 2010

Chef Robert Wiedmaier's Brasserie Beck is well known in the Washington DC area both for its selection of over 100 Belgian beers and its award-winning kitchen. On October 3, 2010, the Brasserie collaborated with North Coast Brewing Co., pairing our American-brewed Belgian-style beers with an exciting menu.

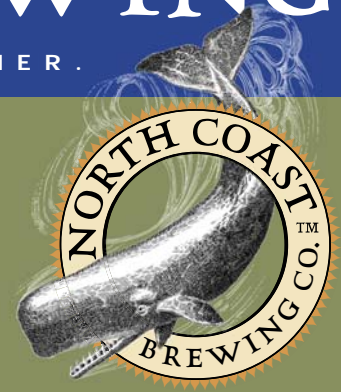

Roasted Filet of New England Cod with Parma Ham and Pepper Veal Jus was served with PranOster Golden Ale, and Veal Sweetbreads with Caramelized Chipolino Onions and a Bone Marrow Crouton were paired with Brother Thelonious Abbey-style Ale. Other courses featured additional North Coast beers: a Foie Gras Torchon was accompanied by the agave nectar-brewed 20th Anniversary Ale while a Cervena Venison Loin was matched with an oak-aged Old Rasputin Imperial Stout. The meal finished with an artisan cheese course and vintage-dated Old Stock Ale.

The dinner was a fundraiser for the Thelonious Monk Institute of Jazz. One hundred percent of the dinner's proceeds were donated to the Institute's international education programs. The sold-out event was attended by the Institute's Chairman, T.S.Monk III, and Kevin Eubanks, former musical director of The Tonight Show, now director of the Institute's Jazz in the Classroom program, as well as NCBC founders, President Mark Ruedrich, Executive VP Tom Allen and Senior VP Doug Moody.
